Our Purpose

Our Mission

"Our mission is to deliver top-quality digital solutions that empower businesses to achieve their goals and succeed in the Kenyan market."

Our Vision

"Our vision is to be the go-to digital agency in Kenya, known for providing comprehensive and effective solutions that help businesses thrive and grow in the digital age."

Our Process

We start by understanding your business goals and target audience to create a tailored strategy that works for you.

Our team of designers and developers work together to create a custom design that's visually appealing & user-friendly.

Using the latest technology, we develop and test your website or mobile application to ensure it is fast, secure, and functional.

After final revisions and approval, we launch your website or app and provide ongoing support and updates to ensure its success.

Our Services

WEBSITE DESIGN & DEVELOPMENT

We build beautiful and easy-to-use websites that capture your brand and goals. We work with you every step of the way to make sure your website fits your design and unique needs.

MOBILE APP DEVELOPMENT

We build innovative mobile apps for iOS and Android that provide a seamless user experience. Our agile process ensures that we deliver high-quality apps on time and within budget.

SEARCH ENGINE OPTIMIZATION (SEO)

We boost your website's search visibility and ranking through a data-driven approach that includes keyword research, on-page optimization, and content development.

DIGITAL MARKETING SERVICES

We create effective digital marketing strategies using social media and content marketing. Our comprehensive approach generates measurable results and boosts your online visibility.

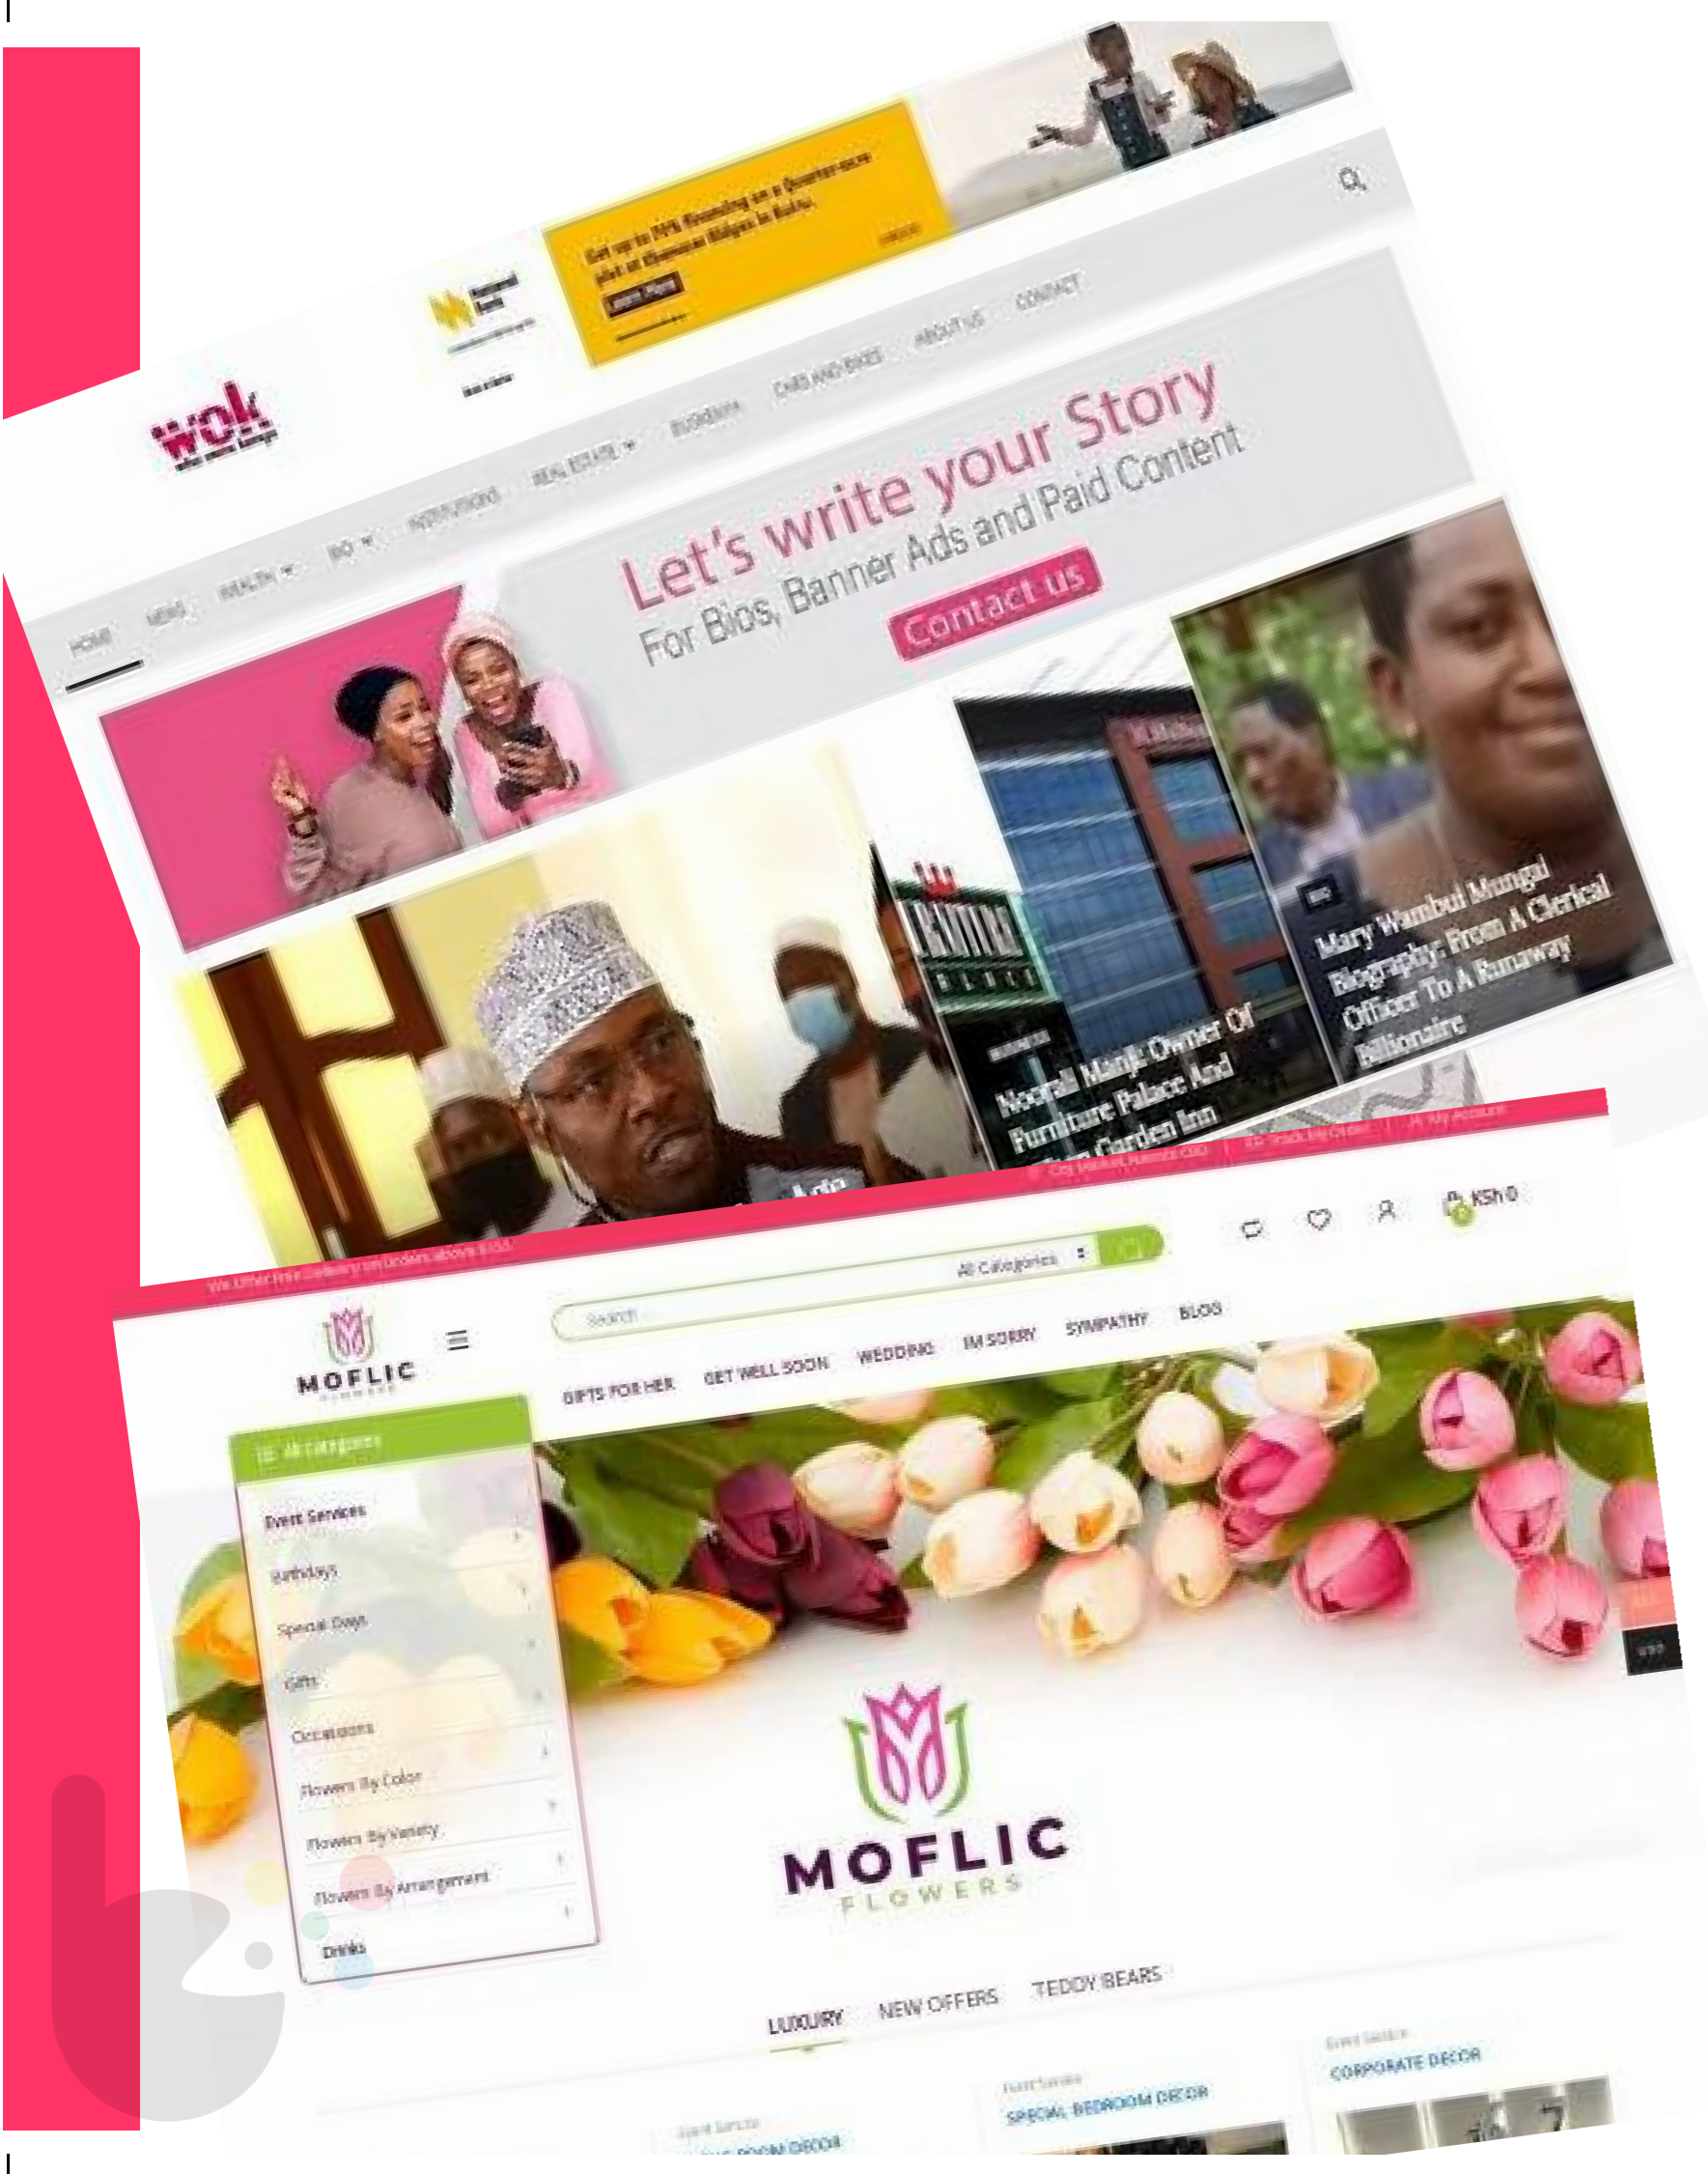

Our Portfolio

[WHOWNSKENYA.COM](https://www.whownskenya.com)

We collaborated with WhOwnsKenya.com, a platform that promotes transparency and accountability by providing information on Kenyan companies and their ownership structures, to develop their website and enhance user experience.

[MOFLICFLOWERS.COM](https://www.moflicflowers.com)

Burst Digital developed an e-commerce website for Moflicflowers, a florist in Kenya. The website features a clean and modern design, making it easy for customers to browse and purchase flowers and other products online. The website also includes a payment gateway integration for secure online transactions.
